

# The Green Committee: Topic A Primary Sources

## The Situation in Haiti

*Here are the primary sources that your moderator or legal chair thought would be helpful in gaining an understanding of the topic. These are by no means all of the sources available, just sources we wanted to highlight.*

### **Source #1: UNSC Report on Mission to Haiti, S/2005/302**

This document outlines a variety of infrastructural changes that would benefit the island-nation. Focusing primarily on what the international community can do for Haiti, it also points out the populations hesitation to work with international partners. Finally, it addresses the need for stable, legitimate elections in Haiti; primarily to avoid a political corruption and provide the new government with respectable authority.

### **Source #5: Chapter VII of the UN Charter**

Chapter seven outlines addresses “action with respect to threats of peace, breaches of the peace, and acts of aggression.” This excerpt from the UN’s founding document is commonly referred to in discussions involving Haiti, this is primarily due to the prevalence of violence throughout the island. Among its articles, Article 42 directly addresses the use of “air, sea, or lands forces,” in the preservation of peace and security.
